By signing below, you agree to the following:

- An affiliate undertakes to recommend LSC and provide honest information to customers/friends/members/etc in accordance with the information contained on EdenBiochar's website.
- An affiliate earns 5% commission on all online sales generated by buyers making use of the unique discount coupon code allocated to him/her.
- Commission earned will be paid into the bank account of the affiliate on a monthly basis. If the balance of the commission is less than R100, it will not be paid out but carried over to the next month. Monthly statements will be sent to the email address above.
- Each discount coupon code is valid for a limited period only (to avoid abuse). EdenBiochar will issue a new discount coupon code from time to time, enabling the affiliate to keep on recommending LSC.
- An affiliate's unique code can be used multiple times by anyone for as long as it has not reached its expiry date. All sales connected to the code will generate 5% commission for the affiliate. It is therefore in the interest of an affiliate to distribute the code and information about biochar to as many people as possible. Receivers of such codes are permitted to share the code with their friends, to widen the possibility of sales by means of the same coupon code.
- EdenBiochar reserves the right to change product pricing or any details surrounding the arrangement with affiliates at any time and without notice.
